关于细胞培养基中无动物源的声明

Animal Derived Component Free Statement for Cell Culture Media

No: QS-23-009

尊敬的客户，您好！

To whom it may concern:

烟台赛普生物技术有限公司的细胞培养基产品及单个组分（包括前体）均不含人源和动物源成分，且不存在接触人源和动物源成分的风险，因此无 TSE/BSE 污染的风险。

All CelluPro cell culture media and individual components (including precursors) contain no human and animal derived components, and there is no risk of exposure to ingredients of human and animal origin, thus posing no TSE/BSE risk.
